About Meals On Wheels

Meals On Wheels, Inc. of Tarrant County is a nonprofit agency dedicated to providing hot, nutritious meals and services to homebound people who are unable to prepare meals for themselves and have no one to help them on a regular basis. This service supplies much-needed food and daily visits to elderly, disabled, and chronically ill people in Tarrant County. Meals are prepared in Meals On Wheels' own kitchen to ensure the highest quality food at a reasonable cost. The meals and services that the agency provides allow homebound people to remain in their homes for as long as possible, maintaining their independence and dignity.
