TXU Helps Meals On Wheels Seniors Beat The Heat

Fort Worth, TX. - TXU Energy and Meals On Wheels, Inc. of Tarrant County are working together to help some of the most vulnerable beat the heat this summer. Senior citizens will learn how to stay safe, stay cool, and save money through this summer initiative. They will learn easy solutions to help control their energy bill and, most importantly, prevent dangerous heat-related emergencies. TXU Energy also donated \$7,500 to Meals On Wheels, Inc. of Tarrant County to assist with its clients' utility bills.

TXU Energy will travel with Meals On Wheels volunteers to clients' homes and give away more than 4,600 LED flashlights and magnets features heat-safety tips. TXU Energy and Meals On Wheels spokespersons will be available for interviews.

Meals On Wheels is in critical need of donations. With the economy, increase of calls for service and recent natural disasters the agency is struggling to meet the needs. Those interested in donating can contact Meals On Wheels at 817-336-0912 or online at mealsonwheels.org.

About Meals On Wheels

Meals On Wheels, Inc. of Tarrant County is a nonprofit agency dedicated to providing fresh, nutritious meals and other needed services to homebound seniors who are unable to prepare meals for themselves and have no one to help them on a regular basis. The agency supplies much-needed food and daily visits to elderly, disabled, and chronically ill people in Tarrant County. Meals are prepared in the agency's own kitchen to ensure the highest quality food at a reasonable cost. The meals and services the agency provides allow homebound people to remain living at home for as long as possible, maintaining their independence and dignity.
